It sounds

when Bella
lost her
virginity!

I live in New York, but I'm totally a small town girl; I was born and raised in Plains, GA—Jimmy Cartertown, USA! There's not much to do there, but still, I had fun. Like, I lost my virginity in the back of my boyfriend's old Firebird, cool, huh? It was kinda cramped and stuff and it felt a little tight when he shoved it in, but when he started spooging up inside of me, his butt hit the steering wheel and the horn started blaring. He was totally freaked, but I was laughing so hard I could hardly stand it!

DICK SHIFTING!

My dad promised me a car for my 18th birthday if I learned to drive stick, but my birthday came and went and I'd been partying too hard to learn. I bitched to my friend Megan that I couldn't learn because no one would teach me, so she suggested I ask her brother Eric. I was shy because Eric is much older than us, and pretty freaking hot, but he said sure straight away.

He picked me up the next evening and drove me to the mall parking lot. Everything was closed so it was really quiet, it was just me and him. We swapped seats and I could see Eric checking out my fitties in the mirror. I was wearing a skimpy top, I'd wanted him to look at me, but I still blushed.

I put my hand on the stick shift and he put his hand on top. I flinched because I wanted him to touch me so much. It was hard to concentrate and I felt myself get damp between my legs.

He showed me where the gears were and took off his hand, we drove round for a bit and I managed not to stall the car. "Well done," said Eric, then he put his hand on mine again and pulled it over to his crotch. The knob of his dick was every bit as hard as that gear stick. "You wanna play with this for a while before we drive home?" he asked.

I nodded shyly and said "Maybe a little, but I'm not sure how." Which was true, I'd kind of touched one before, but only for a few seconds.

"Why? You still a virgin?"

"Uh-huh," I blushed again.

"Wow," Eric leaned over and kissed me, slipping his hand up my skirt and running his fingers over my thighs. I knew it was going to be difficult to say no to him. When his fingers brushed over my panties I just about melted. He explored underneath the material and found his way to my most secret place, telling me to touch him.

I unzipped his pants and put my hand inside the opening of his boxers, his thing was so big and hot, it pulsed at my touch. I wrapped my hand around it and squeezed, Eric groaned and slipped a rough finger in to my pussy. "Oh," I whispered. Eric moved his finger slowly in and out, I moved my hand on his dick at the same speed.

We sat there jerking each other off in silence, his dick twitching in my hand and getting harder with each pump. I whimpered as he fingered me, a thumb putting steady pressure on my clit, coming off slowly and deliciously. My orgasm mounted and I felt myself close around his finger as I squirmed in the driver's seat. I increased the pressure on his tool and he came off too, filling his boxers with hot wet goo.

"Holy shit," he said, "Guess I'd better drive you home." I got out to swap seats again and felt like my legs would buckle under me. "You want another lesson tomorrow?" he asked when we reached home. "Uh-huh," I said, and closed the door, feeling good for being such a bad girl.

MY FIRST PUSSY LICK!

Carly had always had a rep as a freak. She was the only goth in school and there was a rumor that she was a lesbian. She's pretty in a skinny, pale, no-tits kinda way, but I never spoke to her until we started working in the same warehouse last summer, then we became friends.

One day I asked her if she was a lesbian. She kinda choked and said she wasn't, but we ended up having this weird conversation about what it must be like. From that day on there was this crazy tension, and it was like I couldn't stop thinking about what it might be like to eat pussy! You could say that I got a little obsessed about it.

Our last day of work was really hot and Carly was wearing these really tight shorts, I could totally see her pussy lips through them and it made me hotter than hell. She caught me staring and said, "What?"

I told her what I could see and said that she could see my nipples, which was true because they were so hard they stood out against my shirt. Carly asked if I wanted to touch her pussy. I made some lame joke about her not being a lesbian, but she walked over and kissed me full on the mouth to shut me up.

I kissed her back, it feel real nice, so soft and gentle. I put my arms around her and squeezed at her ass. She moved one of my hands to her shorts and I pulled them down, I looked at her pussy and said it was beautiful. There was no hair, just neat lips pouting at me. I wanted to kiss it.

I pushed Carly back on to a big box and she perched on the edge of it. I knelt before her and lay little kisses on her naked lips. Carly wrapped her thighs around my head, pulling me in closer, she smelt so clean, musky and inviting. I licked between her lips, savoring her wetness, probing inside her.

I licked and lapped at her, then she moved against me so her clit was at my lips, round and hard like a little marble. I sucked on it. Carly cried out "Yes" so I sucked harder and felt her gush over my chin. I was so in to licking and nibbling at her, my own pussy was drenched, I had never been so horny.

Carly pushed me away and said that was the best orgasm she'd ever had. I felt so proud. She told me it was my turn and made me lay down on the dirty floor. Carly tore off my pants and went down on me, so much better than any boyfriend. I ground my pussy against her face and came and came. When she finally stopped I was a sloppy mess. Our faces shined with pussy juice.

I don't know how we made it through the rest of the day, but we did, and when we said goodbye I hoped that Carly would say we should do it again but she didn't. As a one-off experience, it was fucking awesome. I just hope when I get to college there are some obliging girlfriends who don't mind helping each other out from time to time.

Cassie

You know how some people are named for relatives or even famous actors? Well, my mom named me after a cat! See, Cassie was my mom's pet when she was a little girl and she loved it so much she used the name for me. Gawd! My boyfriend thinks it's hysterical; he calls me "Pussy Cat" only he doesn't mean it like my mom did, ha ha! And he says my pussy's really pretty, just like my name, isn't that sweet? So far, I've only let him look, not touch, but since he's so nice I might just let him feel me up soon!

Keep sweet talking her, dude, and you'll be petting that pretty pussy in no time!

Just met this guy at an online teen dating site and he is so awesome. The very first night we "met," he called and we yakked forever. Now we talk every night, even about private sex things. Like last night, I gave him a blowjob over the phone! He jacked off while I told him how I wanted to lick his dick up and down and then suck really hard. When I said I was going to grab his balls and deep throat him, he busted his nut so hard I could practically taste the cum in my mouth!

Alison

Nothing like a little phone sex to get a guy nice and spunky!

People always think models are stupid. Please. I'm in my first year of college and I've got a double major: psychology and anthropology. No air-head could pull that off! Anyway, the only reason I'm doing it is that I need money for school. So I decided to go to this audition and I got hired my very first time out! Okay, so I've only been in a couple of commercials and I did sleep with two of the directors, but that was after I was hired. And it never hurts to network, right? Meeting the right people is so important, after all!

Sure, meeting the right people is important, but so is spreading your legs!

If you look really close at this picture you can tell I'm saying, "Fuck you" to my ex-boyfriend. See, he ditched me two weeks after I turned 18 because I wouldn't put out. But I got him back. I called up Bobby, my best bud for, like, forever. He came over and let me boohoo on his shoulder until all of a sudden I wasn't sad anymore. Instead, all the hugging and holding had made me, well, ready. So I did it with Bobby (all the way!) on the same couch where my ex used to try to get into my panties! See what you could have had, fuckhead?

What better way to say, "Fuck you," than in the pages of Just 18!

Full Body Massage

My daddy always says I'll never amount to much; that I'm nothin' but a two bit tramp just 'cause I slept with a coupla guys. Jeez what's wrong with that? But he says I'll end up waiting tables at the café just out of town and flirtin' with the truckers just to try to make a coupla extra bucks in tips.

But I proved him wrong 'cause now I'm in massage school and soon's I get out I'm gonna be rich! I'm gonna have my own business and I'll massage only real rich folk so I can get more tips. See, I'll get a massage table and print up some fancy business cards. Then I'll go hand 'em out at them big mansions on Melrose St. and I'll massage all those bitchy society ladies and their rich, old husbands. I got it all figured out and nobody, not even my mean ol' daddy, can stop me!

I'm already saving money so I can get a car and stuff. It's freakin' hard goin' to school and working but that's okay 'cause I'm having a way good time doing the massages, and I mean a way good time, if you know what I mean.

See, at school they say they'll kick your butt out if they catch you bein' sexy with your customers, like you can't flirt or touch the "clients" (lame!) in, you know, personal places. But that's such bullshit 'cause when you're giving some hot guy a massage it's sexy all by itself. Like, you're rubbing him with warm oil and he's so into it he's groaning and moaning and stuff. I mean, you know he's feeling all horny and it gets me hot, too!

So, just for fun I always dress all pretty, like I wear a real short skirt so the guys can see my legs when they're layin' there on their stomach. Or I'll wear a real low-cut blouse under my sweater and I'll stay covered up if I'm rubbin' on some fussy old fat lady. But if it's a hot dude, hell, my sweater's off in about two seconds. Why not give 'em a peek, you know? Or even more than a peek?

Like this guy John. The first time he came in was a couple of months ago. Gawd, he was so cute (and way buff, too) so of course I took my sweater off as soon as I saw him! He liked that 'cause when I was askin' him questions before he lied down on the table he was pretty much talkin' to my boobs! Plus, as soon as I started rubbin' on him, he started groaning like crazy and it was making me wicked hot. I mean it was like I was fucking him with my hands, you know?

When it was time for him to turn over on his back, well, of course his dick was practically sticking straight up under the sheet. I didn't say nothin', but just knowing he was hot for me was making my pussy drool. I mean, my panties were soaking wet!

It got worse when I moved down to his abs 'cause my fingers were so close to his dick (which was getting bigger by the second.) I was totally dying to touch it, I mean, I was creaming in my jeans. But I was being a good girl 'cause I was worried about getting kicked out of school, 'cept then John made the decision for me.

"This is a full body massage, isn't it?" he asked.

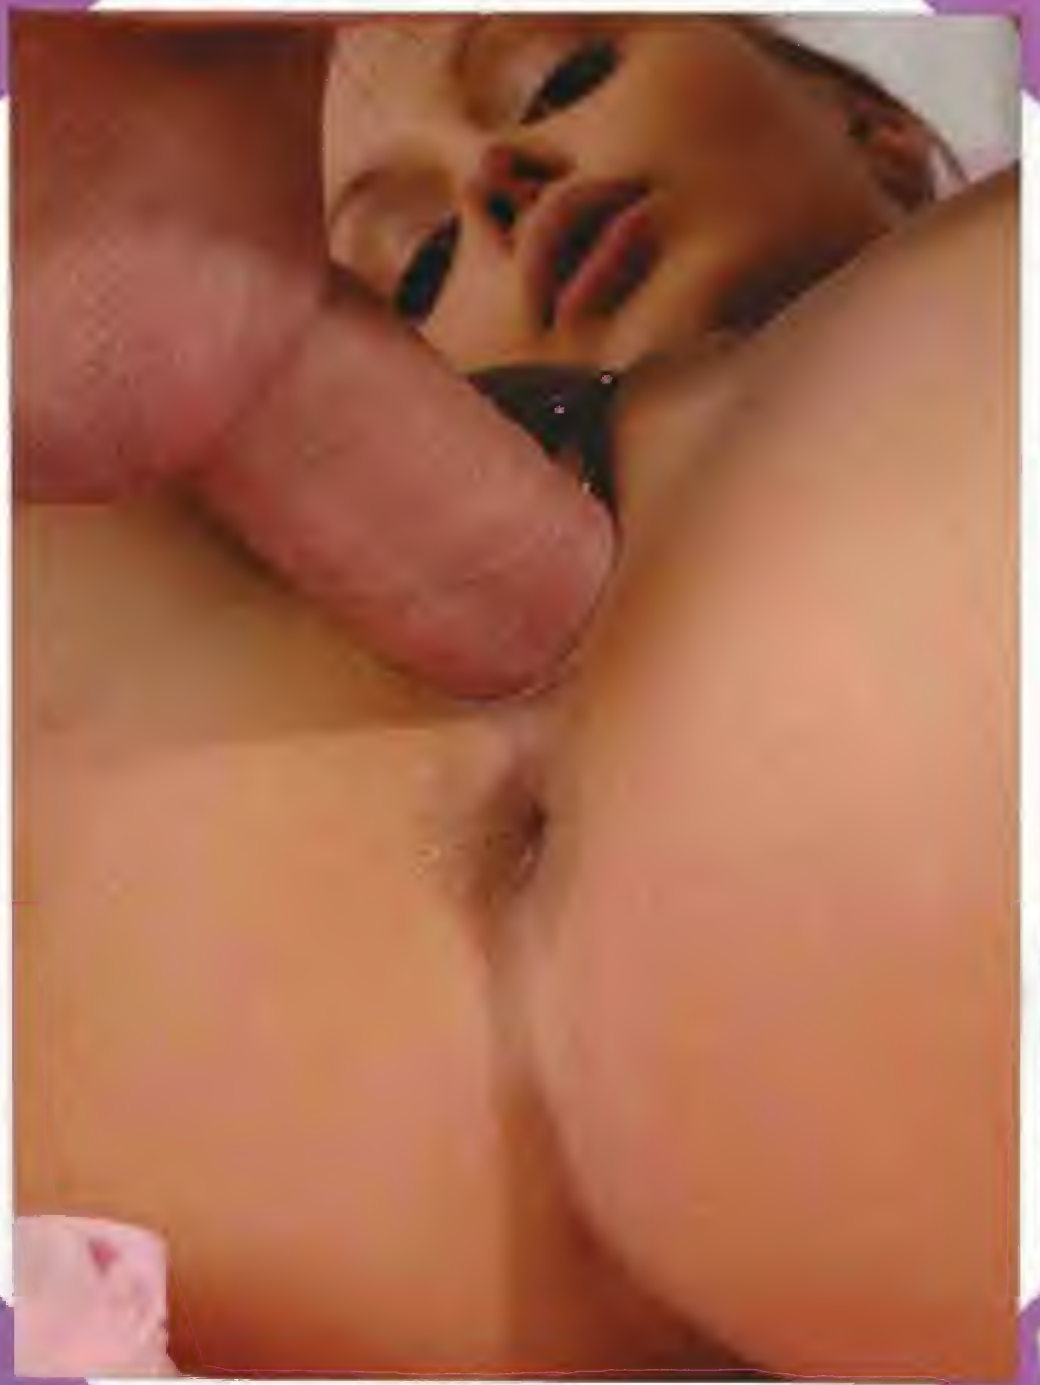

"Uh huh," I said, all casual, and I moved my fingers even farther into his abs (and closer to his rod.)

"Well, there's a part of me that needs a massage real bad, baby, do you think you could take care of it for me?"

Well, what the fuck, the customer's always right! So I reached right under that pink sheet and grabbed hold of his fat dick. Ha ha, you woulda thought he was cumming right then and there the way he started groaning. And me too, 'cause when he reached over and planted his finger smack dab on my clit under my jeans and started rubbing, holy shit, I just about jumped out of my skin!

"Looks like something else needs a little massage, too," he said, kind of teasing-like, and then he ran his finger down my pussy lips right to the wet spot on my jeans.

By then it was like my brain was totally fried and I was ready to do him, but since I didn't know if he wanted to I figured I'd start with a little taste, you know? So I bent right down and put my lips on the soft head of his dick and now it was his turn to jump through the roof, especially when I deep throated him in, like, two seconds. Hell, I just opened up real wide and let that big head of his slide right on down. I held it there long as I

could and then I took hold of his fat balls and started sucking him off for real. You know, going up and down, slow at first, then faster. And then I decided to tease him so I pulled away a little and just started licking at the head of his dick, which was starting to goop up.

By then, I was all gooped up, too, I mean, he was rubbing my clit like mad and I swear I had pussy juice practically all the way down to my toes! I totally wanted to fuck him but I still didn't know if he wanted to go all the way. But you know what? He did!

"Do you fuck as good as you suck, darlin'?" he asked, his voice all strained and stuff. "'Cause I'd love to get a pussy massage, if you know what I mean."

Oh, yeah, I knew what he meant! So I let go his dick and pulled my jeans and my sopping wet panties off just as quick as I could. And then, without even thinking about what would happen if I got caught, I crawled right up on the table and straddled him. He looked kinda surprised but he sure wasn't complaining!

Neither was I 'cause, you'll never believe this, as soon as he stuck the head of his dick in my pussy I started cumming!

I sat down hard then, and started wriggling on his dick 'cause it felt so good. My pussy was spasming like mad and what with his dick all deep inside me it was the best ever, no shit. Him, too, I guess, 'cause his face was all scrunched up like something was hurtin' him bad, but I knew better. So, as soon as the quivers stopped in my cunt I started doing him, you know, jumpin' up and down on his dick like he was a damn pogo stick. To tell you the truth, I'd never actually done it that way before, but he was lovin' it and oh, man, did it feel good for me.

Every time I sat down on his dick, my clit got a little shiver and then when I'd pull all the way out till his fat dick was just tickling my dripping cunt, it was awesome, 'cause I knew that in another second he gonna fill me up again.

He even reached up and started tweaking on my nips and I swear I felt it deep in my pussy. Like I was still cumming, you know? But pretty soon he got all out of breath and stuff and grabbed hold of my hips, and then we were really slamming. Every time I sat down he pushed up and it was like his dick practically came out of my belly button. I could hear the massage table creaking and I hoped it wouldn't break but I didn't give a shit 'cause by then he was spooging up my cunt!

Every time he pumped me I could feel, like, another gallon of cum shoot up there and pretty soon it was oozing out until we were making squishy noises what with his jizz and my juice. It must've been a long time since his dick had been "massaged" (ha ha!) 'cause he just kept cumming and cumming, like he was never gonna stop. When he finally did, he looked up at me with this crooked grin.

"That was the best fucking massage I ever had, sweetheart," he said, winking at me.

"Same time next week?"

"Uh huh," I said, and I was just about as loopy as he was, I swear I never been fucked so good in my life.

So him and me have been doing it ever since, plus I found two other guys that like it special like that. So yeah, maybe my daddy's right and I am a tramp, but at least I give the best damn "massages" in the whole town! **18**

You won't believe this, but I didn't even know how to cum until about a month ago! But then my best friend told me about that special button, you know, down there. I totally didn't believe her, but then that night I started looking for it and, whoa, when I found it I almost fell off the bed! It felt like a thousand little goosebumps right there under my finger. And the more I rubbed, the more there were, until there were a million tingles in that special spot. Then I started shaking and stuff, and sure enough, I was cumming like crazy!

WHAT EXACTLY ARE THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team, PRO+PLUS PILLS is a powerful natural herbal enlargement formula that increases size, stronger erections and maintains your sexual virility. We also included some of the same type of herbs found in Polynesia where the men of the Manganian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

WHAT WILL PRO+PLUS PILLS DO FOR ME?

- ▶ A longer, thicker penis enlargement up to 5 inches or more!
- ▶ A longer and thicker penis even when you are not hard. Because there is more blood flow, your penis 'hangs' larger all day.
- ▶ You will have bigger, harder erections. Because of increased blood flow, your erections grow harder.
- ▶ Erections when you want them. Rock-hard erections every time.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Because you are larger you penetrate more sensitive areas of the woman. It is possible for you to reach the most sensitive area of all, a woman's G-Spot. These sensations will produce for a woman the ultimate multiple orgasms. Knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

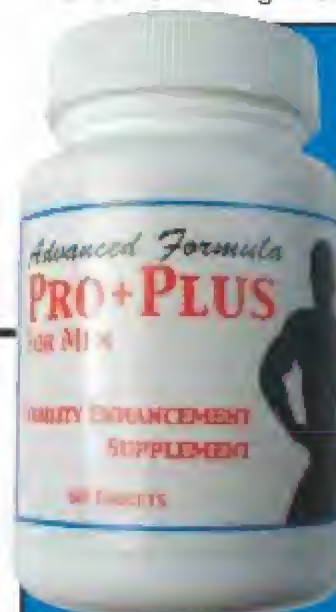

Manufactured in the USA in high-tech facilities producing thousands of pills and liquids every day and meets the highest standards of purity established by the National Research Council, United States Pharmacopeia, National Formulary and the Food Chemical Codex.

Kelli

Everyone thinks that since I'm all tiny and cute I must be sweet and innocent, too. Not! As a matter of fact, I've already done it with three college guys...at once! See, I met 'em at this frat party and they were, like, all over me the whole night. So after a coupla beers, well, my inner slut decided to cum out and party (I mean screw!) They were so excited that one guy even popped off before he got it in. But that was okay because he got hard again right away and did me really good. Cute? Yeah! Innocent? No fucking way!

Those lucky
boys are gonna
be bragging about
that pussy
party forever!
